

2019 Shanghai Jiao Tong University

Pre-University Program for International Students

I. Introduction

Pre-University Program of Shanghai Jiao Tong University (abbreviated as SJTU) is designed for international students. In this program, international students can enhance their language skills, academic performance, and cultural adaptability as needed, and thus lay a solid foundation for their further undergraduate study.

Pre-University Program A and Pre-University Program B are staged respectively.

Program A: This program is designed for students who have already reached a good level of Chinese language proficiency (HSK 4 \geq 180 or equivalent) but need remediation of academic subjects of Chinese, English and Mathematics to meet the requirements of SJTU undergraduate admissions.

Program B: This program is suitable for students who do not possess any Chinese language skills but perform well in other subjects. Students are given intensive Chinese language training. They can also make further progress in English, Mathematics and other subjects to meet the requirements of SJTU undergraduate admissions.
